Acceptance of Entire Agreement: These Purchase Order General Terms and Conditions including the terms and conditions on the face of the Purchase Order delivered by Buyer and all proposals, designs, plans and other documents specified by Buyer in such Purchase Order (hereinafter collectively defined as the “Contract”) shall govern all purchases made by the Buyer from the Seller of goods, products and other equipment, including any software imbedded therein (“Products”) and/or services (“Services”). Unless governed by a separate and specific agreement mutually agreed to in writing, executed by an authorized representative of both Parties, this Contract shall constitute the complete and final written agreement between Buyer and Seller and supersedes all other agreements and understandings between the Parties regarding the supply of Products and the performance of Services pursuant to the Contract. Seller’s terms and conditions, whether included by reference in this Contract or in any other document delivered or issued by Seller, shall not be binding on the Buyer unless Buyer expressly agrees in writing and which acceptance shall be clearly referenced on the face of the Purchase Order.

2. Price: The Products supplied or to be supplied and the Services performed or to be performed pursuant to this Contract shall not be invoiced at a higher price than set out in the Purchase Order without the prior written consent of Buyer. The price set out in the Purchase Order is all inclusive of taxes, fees and other costs, and subject to this Section 2, Seller is not entitled to any additional payment unless agreed to in writing by Buyer. No charges will be allowed for packing, crating, freight surcharges, expedited delivery or cartage unless expressly stated in the Purchase Order. The charges and taxes payable by Buyer in accordance with this Contract must be itemized as separate line items, at Seller’s actual cost on each invoice.

3. Warranties, Inspection, and Right of Rejection: *Products Warranty:* Seller hereby warrants that all Products shall (i) be produced in accordance with the terms of this Contract and fit for the purposes intended, (ii) comply with all applicable foreign and federal, state, provincial, municipal and local laws, ordinances and governmental rules, regulations and requirements, (iii) conform to the specifications, MSDS, Certificates of Analysis, drawings, samples, or other descriptions furnished, and (iv) be new, of merchantable quality, and free from all defects, whether patent or latent, and that the workmanship of the Products is of the highest standards and, where the materials to be used are not specified, such materials used meet the highest standard of quality. *Services Warranty:* Seller hereby warrants and guarantees that (i) all Services shall comply with all applicable foreign and federal, state, provincial, municipal and local laws, ordinances and governmental rules, regulations and requirements, (ii) Seller shall perform its obligations for the benefit of Buyer in a professional, workmanlike, and timely manner, consistent with industry standards and in compliance with any scope of work or similar document included in the Contract. Time is of the essence in the performance of Seller’s obligations hereunder. Buyer’s acceptance of Seller’s late performance shall not be deemed a waiver of this provision. *Inspection.* All Products will be subject to inspection and approval by Buyer with respect to quantity and patent defects. *Rejection.* If Products are rejected they will be held for disposition at Seller’s risk and expense and any payment shall be promptly refunded by Seller. Any inspection or approval performed at Seller’s location or elsewhere during or after manufacture, whether or not such inspection or approval be provided for by the terms of this Contract, shall be provisional only and shall not constitute final acceptance or be construed as a waiver of the foregoing right of inspection and approval or rejection after receipt of Products by Buyer at Buyer’s location. Seller may be given a reasonable opportunity to correct defects after the receipt of such Products by Buyer, but only if corrections can be made within a reasonable time. Seller guarantees that any Products, Services, or any part thereof found defective or that do not meet any of these warranties within the longer of (i) Seller’s standard warranty period, or (ii) one (1) year after such Products or part thereof are put into use by Buyer, or within one (1) year after such Services or part thereof are performed by Seller, will be promptly repaired, replaced or re-performed without charge. If such repair, replacement or re-performance is insufficient in Buyer’s sole discretion, the full original cost of such Product or Service shall be refunded to Buyer. Such remedies are without prejudice to any other remedy of Buyer and shall also be warranted for an additional warranty period equal to the original warranty period after the date the repair, replacement or re-performance is completed, including delivery and installation where applicable. Buyer shall also have the right to have any Service provider removed and replaced at any time for any reason.

4. Delivery Schedule: Title and Risk of Loss: All Products to be delivered to Buyer shall be packaged in accordance with applicable laws and with instructions or specifications in this Contract or referred to in drawings or specifications for the Products. In the absence of any such instructions or specifications on packing and packaging, Seller shall (i) comply with the best commercial practice for shipment adequate for safe arrival of the Products at Buyer’s specified destination, (ii) comply with carrier regulations, and (iii) secure the lowest possible transportation rates. Where Buyer is responsible for transportation, any extra transportation cost resulting from failure to comply with this Section shall be charged to Seller’s account. Title and risk of loss of all Products shall pass to Buyer pursuant to the terms on the relevant Purchase Order. Seller shall furnish sufficient labor and management forces, plant, and equipment and shall work such hours (including night shift, overtime, weekend and holiday work, without additional cost to Buyer) as may be required to ensure timely delivery of the Products and performance of the Services to Buyer. Regardless of delivery or performance in installments, Seller’s obligation is not severable. All Products delivered and Services performed under this Contract shall be free of all liens, hypothecs, security interests, rights of others and other charges and encumbrances and, if Buyer requests, a proper release of all liens or satisfactory evidence of freedom from liens will be promptly delivered to Buyer. Buyer will not accept shipments sent cash on delivery (C.O.D.) without Buyer’s prior express written

consent and will return them at Seller’s risk. In the event Seller reasonably believes that the delivery of Products or performance of Services pursuant to this Contract may be delayed, Seller shall immediately inform Buyer of any such delay and shall submit recovery plans to meet Buyer’s requirements. Notwithstanding the foregoing, Seller shall not be relieved of its liability as a result of the late delivery of such Products or late performance of such Services, unless due to a force majeure event per Section 15.

5. Changes to Quantity or Scope: The quantity of Products delivered or the scope of Service provided by Seller pursuant to this Contract shall neither exceed nor be less than the quantity of Products or scope of Service specified in the Contract, without Buyer’s prior written permission. If Buyer changes the terms of a Purchase Order thereby causing an increase or decrease in the cost of, or the delivery schedule or performance schedule for, the Products or the Services covered by this Contract, Seller shall advise the Buyer, in writing, within ten (10) days of receipt of such change request from Buyer, of any equitable adjustment in the invoice, delivery or performance schedule, or both, that the Seller intends to make. Any claims by Seller for adjustment under this clause following such ten (10) day period shall be deemed waived.

Where Products are delivered the invoice shall also indicate the manufacturer and sku, the date and terms of shipment, itemized quantities, descriptions and corresponding prices of the Products shipped, any discount terms, and a copy of the signed proof of delivery to verify receipt of the Products by Buyer. Where Services are performed, the invoice shall also include a reasonably detailed description of the Services provided. Payment of invoices does not constitute acceptance of the applicable Products or Services and payment thereof is without prejudice to any and all claims the Buyer may have against the Seller under this Contract. If Buyer and Seller agree to payment terms other than Net 65 days from receipt of undisputed invoice, such terms shall be clearly stated on the Purchase Order.

7. Vendor Technology Rebate: Buyer shall deduct a discount in the form of a percentage on gross purchases of Seller’s products by Buyer (“Vendor Technology Rebate”). The Vendor Technology Rebate percentage shall be determined by Buyer in its sole discretion and shall be deducted by Buyer on a per-invoice basis. The funds derived from the Vendor Technology Rebate may be used by Buyer, in its sole and complete discretion, to support marketing initiatives to develop and improve an interconnected shopping experience for Buyer’s customers. The Vendor Technology Rebate shall be in addition to (and not in lieu of) any other discounts or rebates upon which Buyer and Seller have already agreed or may agree in the future, and it will not impact the calculation of such other discount or rebates.

8. Audit: Buyer reserves the right to audit Seller’s records and facilities to assure compliance with the terms of this Contract and any applicable laws or regulations. Seller shall make available all data reasonably requested by Buyer. Seller shall ensure a comparable right to audit with any subcontractors.

Intellectual Property: “Intellectual Property” shall mean any and all information, knowledge, data, developments, designs or processes protected by a patent, trademark, copyright, trade secret, or agreement or any other exclusive right under state, federal or any international law. Seller shall immediately notify Buyer if Seller has or acquires knowledge of any Intellectual Property rights under which a suit for alleged infringement thereof can reasonably be brought in connection with the Services rendered or the Products delivered pursuant to this Contract. Seller shall defend, indemnify and hold Buyer harmless, at Seller’s expense, from and against any claims threatened or brought at law or in equity arising out of or related to the Products or Services against Buyer, its affiliates, successors and assigns, for infringement of any third party Intellectual Property rights, Seller shall pay the costs and expenses of any such action or suit, including reasonable compensation and expenses of experts and legal counsel of Buyer’s choice and selection, and Seller shall also pay and hold Buyer harmless from damages or other sums, settled, awarded or assessed in any such action or suit. No compromise or settlement directly or indirectly affecting Buyer’s operations may be agreed to without Buyer’s consent, which will not be unreasonably withheld. If any of the Products, Services, or any component part furnished hereunder, is held to infringe, or their use is enjoined, Seller shall, promptly at Seller’s expense, procure for Buyer the right to continue using the Products or Services, replace them with a substantially equivalent non-infringing product or service, or modify them so they become non-infringing with substantially equivalent performance. Seller’s obligations must be performed in such a manner so as not to interfere with Buyer’s operations as determined in Buyer’s sole discretion. Should Seller fail to comply with the above within the time period set out by Buyer, Buyer reserves its rights at law or, at its option, to return the infringing Products to Seller at Seller’s expense, in which case Seller shall refund the purchase price to Buyer within ten (10) days from the delivery of the infringing Products.

19. Equal Employment Opportunity, Affirmative Action and Employee Rights under the National Labor Relations Act. This contractor (Buyer) and subcontractor (Seller) shall abide by the requirements of 41 CFR Section 60-1.40, 41 CFR Section 60-4.3, 41 CFR 60-300.5(a) and 41 CFR 741.5(a), as applicable. These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative

action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability. Buyer is a federal, state and local government contractor subject to various nondiscrimination and affirmative action compliance requirements, including but not limited to Executive Order 11246, as amended, the Rehabilitation Act of 1973, as amended, and the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended. As part of Buyer's efforts to comply with these laws, their implementing regulations and Buyer's contractual commitments, Buyer has developed and implemented equal employment opportunity and affirmative action policies and programs, which are designed to ensure that all qualified applicants and employees are treated without regard to such factors as race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status, disability, pregnancy, genetic information or any other consideration prohibited by law or by contract. The implementing regulations regarding the laws listed in this paragraph require federal contractors to send to their subcontractors, including subcontracting vendors and suppliers, information about the federal contractors' nondiscrimination and affirmative action policies, and to "request appropriate action" on the subcontractors' part. Accordingly, Buyer hereby notifies Seller about Buyer's important nondiscrimination and affirmative action policies and efforts and requests appropriate action on the Seller's part. The cooperation of the Seller is appreciated to ensure equal employment opportunity and affirmative action throughout Buyer's organization and its subcontracting chain.
