(a) The Buyer from the Seller of goods, products and other equipment, including any software imbedded therein (“Products”) and/or services (“Services”). Unless governed by a separate and specific agreement mutually agreed to in writing, executed by an authorized representative of both Parties, the terms of the Contract shall constitute the final written agreement between Buyer and Seller and supersedes all other agreements and understandings between the Parties regarding the supply of Products and the performance of Services pursuant to the Contract. Seller’s terms and conditions, whether included by reference in this Contract or in any other document delivered by Seller, shall be superseded solely by this Item 1. (b) The Buyer hereby agrees that Buyer will be bound by these terms and conditions and expressly agrees in writing and which acceptance shall be clearly referenced on the face of the Purchase Order.

2. Price: The Products supplied or to be supplied and the Services performed or to be performed pursuant to this Contract shall not be invoiced at a higher price than set out in the Purchase Order without the prior written consent of Buyer. The price set out in the Purchase Order is all inclusive of taxes, fees and other costs, and subject to this Section 2, Seller is not entitled to any additional payment unless agreed to in writing by Buyer. No charges will be allowed for packing, crating, freight surcharges, expedited delivery or carriage unless expressly stated in the Purchase Order. Inspection: All Products will be subject to inspection and approval by Buyer with respect to quantity and patent defects. Rejection: If Products are rejected they will be held for disposition at Seller’s risk and expense and any payment shall be promptly refunded by Seller. Any inspection or approval performed at Seller’s location or elsewhere during or after manufacture, whether or not such inspection or approval was provided for by the terms of this Contract, shall be provisional only and shall not constitute final acceptance or be construed as a waiver of the foregoing right of inspection and approval or rejection after receipt of Products by Buyer at Buyer’s location. Seller may be given a reasonable opportunity to correct defects after the receipt of such Products by Buyer, but only if corrections can be made within a reasonable time. Seller guarantees that any Products, Services, or any part thereof found defective or that do not meet any of these warranties within the longer of (i) Seller’s standard warranty period, or (ii) one (1) year after such Products or part thereof were delivered by Buyer, or (iii) six months after such Services or part thereof were performed by Seller, will be promptly repaired, replaced or re-performed without charge. If such repair, replacement or re-performance is insufficient in Buyer’s sole discretion, the full original cost of such Product or Service shall be refunded to Buyer. Such remedies are without prejudice to any other remedy of Buyer and shall also be warranted for an additional warranty period equal to the original warranty period after the date the repair, replacement or re-performance is completed, including delivery and installation where applicable. Buyer shall have the right to have any Service provider removed and replaced at any time for any reason.

4. Delivery Schedule: Title and Risk of Loss: All Products to be delivered to Buyer shall be packaged in accordance with applicable laws and with instructions or specifications in this Contract or referred to in drawings or specifications for the Products. In the absence of any such instructions or specifications on packing and packaging, Seller shall (i) comply with the best commercial practice for shipment adequate for safe arrival of the Products at Buyer’s specified destination, (ii) comply with carrier regulations, and (iii) secure the lowest possible transportation rates. Where Buyer is responsible for transportation, any extra transportation cost resulting from failure to comply with this Section will be charged to Seller’s account. Title and risk of the Products shall pass to Buyer at Buyer’s location, unless otherwise specified in the Purchase Order. Seller shall furnish sufficient labor and management forces, plant, and equipment and shall work such hours (including night shift, overtime, weekend and holiday work, without additional cost to Buyer) as may be required to ensure timely delivery of the Products in accordance with Buyer’s instructions as specified in the Purchase Order. If Buyer receives, a proper release of all liens or satisfactory evidence of freedom from liens will be promptly delivered to Buyer. Buyer will not accept shipments sent cash on delivery (C.O.D.) without Buyer’s prior express written consent and will return them at Seller’s risk. In the event Seller reasonably believes that the delivery of Products or performance of Services pursuant to this Contract may be delayed, Seller shall immediately inform Buyer of any such delay and shall submit recovery plans to meet Buyer’s requirements. Seller shall not be relieved of its liability as a result of the late delivery of such Products or late performance of such Services, unless due to a force majeure event per Section 15.

5. Changes to Quantity or Scope: The quantity of Products delivered or the scope of Service provided by Seller pursuant to this Contract shall neither exceed nor be less than the quantity of Products or scope of Service specified in the Contract, without Buyer’s prior written permission. If Buyer changes the terms of a Purchase Order thereby causing an increase or decrease in the cost of, or the delivery schedule or performance schedule for, the Products or the Services covered by this Contract, Seller shall advise the Buyer, in writing, within ten (10) days of receipt of such change request from Buyer, of any equitable adjustment in the invoice, delivery or performance schedule, or both, that the Seller intends to make. Any claims by Seller for adjustment under this clause following such ten (10) day period shall be deemed waived.

6. Payment Terms: Itemized invoices must include the Purchase Order Number and the corresponding Purchase Order item number for the Products in question. Where Products are delivered the invoice shall also indicate the manufacturer and sku, the date and terms of shipment, itemized quantities, descriptions and corresponding prices of the Products shipped, any discount terms, and a copy of the signed proof of delivery to verify receipt of the Products by Buyer. Where Services are performed, the invoice shall also include a reasonably detailed description of the Services provided. Payment of invoices does not constitute acceptance of the applicable Products or Services and payment thereof is without prejudice to any and all claims by Buyer may have against the Seller under this Contract. If Buyer and Seller agree to payment terms other than Net 65 days from receipt of undisputed invoice, such terms shall be clearly stated on the Purchase Order.

7. Audit: Buyer reserves the right to audit Seller’s records and facilities to assure compliance with the terms of this Contract and any applicable laws or regulations. Seller shall make available all data reasonably requested by Buyer. Seller shall ensure a comparable right to audit with any subcontractors.

8. Intellectual Property: “Intellectual Property” shall mean any and all information, knowledge, data, developments, designs or processes protected by a patent, trademark, copyright, trade secret, or agreement or any other exclusive right under state, federal or any international law. Seller shall immediately notify Buyer if Seller has or acquires knowledge of any Intellectual Property rights under which a suit for alleged infringement thereof can reasonably be brought in connection with the Services rendered or the Products delivered pursuant to this Contract. Seller shall defend, indemnify and hold Buyer harmless, at Seller’s expense, from and against any claims threatened or brought at law or in equity arising out of or related to the Products or Services against Buyer, its affiliates, successors and assigns, for infringement of any third party Intellectual Property rights, Seller shall pay the costs and expenses of any such action or suit, including reasonable compensation and expenses of experts and legal counsel of Buyer’s choice and selection, and Seller shall also pay and hold Buyer harmless for any damages or other expenses sustained in such action or suit. No compromise or settlement directly or indirectly affecting Buyer’s operations may be agreed to without Buyer’s consent, which will not be unreasonably withheld. If any of the Products, Services, or any component part furnished hereunder, is held to infringe, or their use is enjoined, Seller shall promptly at Seller’s expense, procure for Buyer the right to continue using the Products or Services, replace them with a substantially equivalent non-infringing product or service, or modify them so they become non-infringing with substantially equivalent performance. Seller’s obligations must be performed in such a manner as so not to interfere with Buyer’s operations as determined in Buyer’s sole discretion. Should Seller fail to comply with the above within the time period set out by Buyer, Buyer reserves its rights at law or, at its option, to return the infringing Products to Seller at Seller’s expense, in which case Seller shall refund the purchase price to Buyer within ten (10) days from the delivery of the infringing Products.

9. Indemnity and Limitation of Liability: To the fullest extent permitted by law, Seller shall indemnify, defend and hold harmless Buyer, its subsidiaries and affiliates (each an “Indemnitee”), from and against all claims, demands, damages, liabilities, losses and expenses (including attorney and paralegal fees and court costs and including penalties and interest) incurred or suffered by any Indemnitee arising out of or resulting from, directly or indirectly, (i) the Products delivered or Services performed pursuant to this Contract; (ii) any act or omission of Seller in the performance of its obligations hereunder; (iii) a breach of Seller’s representations or warranties; or (iv) a breach by Seller of any of its obligations under this Contract including but not limited to bodily injury, sickness, disease or death, or damage to or destruction of tangible property (including loss of use resulting therefrom). The foregoing indemnity shall be in addition to any other indemnity obligations of Seller set forth in this Contract. Any insurance recoveries or policies shall not limit any obligation of Seller and Buyer shall contribute to each other in proportion to their respective net indemnification obligations.

10. Anti-Corruption: Code of Conduct: Supplier shall comply with all applicable laws, regulations, and all other legal requirements of any type that apply to any aspect of Supplier’s

In such event (i) the party affected shall use its best efforts to avoid and to reduce such causes of nonperformance and both parties shall continue performance hereunder in good faith whenever such causes are removed; and (ii) nothing herein contained shall be construed as requiring either party to accede to any demands of employees or labor unions which such party, in its sole discretion, shall consider unreasonable. Force majeure shall not include financial distress, insolvency, bankruptcy, or other similar conditions affecting one of the parties, affiliates and/or subcontractors. Should the affected Party be unable to resume performance within 30 days, the non-affected Party shall have the option and the right to terminate this Contract and to seek damages for such disruption.

action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability. Buyer is a federal, state and local government contractor subject to various nondiscrimination and affirmative action compliance requirements, including but not limited to Executive Order 11246, as amended, the Rehabilitation Act of 1973, as amended, and the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended. As part of Buyer's efforts to comply with these laws, their implementing regulations and Buyer's contractual commitments, Buyer has developed and implemented equal employment opportunity and affirmative action policies and programs, which are designed to ensure that all qualified applicants and employees are treated without regard to such factors as race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status, disability, pregnancy, genetic information or any other consideration prohibited by law or by contract. The implementing regulations regarding the laws listed in this paragraph require federal contractors to send to their subcontractors, including subcontracting vendors and suppliers, information about the federal contractors' nondiscrimination and affirmative action policies, and to "request appropriate action" on the subcontractors' part. Accordingly, Buyer hereby notifies Seller about Buyer's important nondiscrimination and affirmative action policies and efforts and requests appropriate action on the Seller's part. The cooperation of the Seller is appreciated to ensure equal employment opportunity and affirmative action throughout Buyer's organization and its subcontracting chain.
